Dan the One Man Band has been providing fairs with top notch entertainment for over 20 years.

Whether as a strolling walkabout act, or on the Grandstand stage, Dan provides Fairs with unique, memorable and uplifting performances.

Dan comes equipped with a 1000Watt portable sound system, which allows him to perform anywhere on the Fairgrounds.

Whether it's in the concessions area, the front gates or by the long line at the lemonade stand, Dan is able to deliver his fun, interactive family oriented show.

"Dan exudes fun and enthusiasm, and generated crowds and excitement wherever he was on site."-Saskatchewan Children's Festival

Dan has many tricks up his sleeve when it comes to engaging fairgoers. His repertoire of songs is vast as are his impersonations. Elvis is one of his favourites, as well as Johnny Cash, AKA "The Dan in Black". He also does the Beatles, Bob Marley, and Elsa, from the movie "Frozen". He includes people by encouraging them to get in on the fun. His music spans the generations and he'll often have little ones in on a jam session!

It's always more fun with a one-man band.
